2026 Tech Career Starter Program

Canberra ACT

Tech Career Starter Program

The ASIS Tech Career Starter Program is a 12-month development program designed to equip you with the skills, learning experiences and mentoring you need for a career in ICT. We're looking for candidates in Information Technology (ICT) fields such as (but not limited to) the following:

- IT
- IT (Networking)
- IT (Programming)
- IT (Web Development)
- IT (Systems Admin)
- IT (Cloud Computing)

If you have just completed a trade certificate and don't know where to begin your career – we want to hear from you.

The key duties of the position include:

What to expect:

Commencing in early 2026, the Tech Career Starter Program will provide you with the opportunity to practice, grow and embed your current skills through workplace experience. With an ICT workforce that is broad and evolving, these on-the-job work opportunities will challenge and reward you.

You will participate in formal and informal learning and receive a range of exposure opportunities. Throughout the program – and beyond it – you will be supported and encouraged to succeed. You will work in team environments and be empowered to contribute. You will engage with stakeholders and clients, just as you will connect with your mentor and build valuable and lasting networks with your cohort and peers.

At successful conclusion of the program, you will be placed into a tech role that recognises your interests and abilities.

Eligibility

Candidates must be Australian citizens.

Completed a Cert IV or Diploma in a related ICT discipline (completed after January 2021 and before February 2026).

The successful candidate will be required to obtain and maintain the highest-level security clearance.

REASONABLE ADJUSTMENTS

All requests for reasonable adjustments will be considered and managed in consultation with you. We will continue to ask you if you

require reasonable adjustments at each stage of the process. If you are successful in gaining employment, reasonable adjustments can also be made available to you in performing your role.

Notes

The positions are Canberra based, with conditions of service similar to those in the Australian public service, Including superannuation.

Please also note that ASIS does not provide feedback to unsuccessful applicants.

To apply for the role, please visit the ASIS website to view further job details and selection criteria.

Getting to know the Australian Secret Intelligence Service

ASIS is Australia's overseas secret intelligence collection agency. Its mission is to protect and promote Australia's vital interests through the provision of intelligence services as directed by the Government. Its work can involve collecting intelligence relating to national security, international relations and economic issues. It also contributes to Australia's coordinated national efforts against terrorism, proliferation of weapons of mass destruction, and trans-national issues such as people smuggling.
